# FEATURE WINE

T'Gallant

"Imogen"

Pinot Gris

NON / MEMB.

Glass 9.9 / 8.9

Bottle 48.9/44.9

The T'Gallant Imogen Pinot Gris is a generous and weighty Pinot Gris, potent and true to style. The nose is ripe and very complex with floral notes and touches of tropical fruit. The palate is succulent, generous with great weight and richness

## FEATURE WINE

# chardonnay

This is most compelling reason we've ever come across for why Chardonnay should never be overlooked.

This is one of the smoothest, most attractive whites that we've ever tried, and as lovely as its maker, the gorgeous Anna Pooley.

*“Bright straw-green; has utterly  
harmonious mouthfeel and equally  
well-balanced flavours, first the fruit in a  
white stone fruit citadel, and second in the  
fruit-oak-acidity triangle.”*
